ORGANIZATION NAME: _____

CONTACT PERSON: _____ PHONE: _____ E-MAIL: _____

1. **Tell Us About You.** Please provide a narrative describing your organization, its structure, a list of your board members, your vision, mission, and how you are helping children in Omaha. Don't go nuts here, we have the internet.
2. **Who do you even know here?** We're rolling with a fraternity theme this year, and it's like you're at a house party that a friend told you about and he heard it from this guy that's in the fraternity and you were like "we'll stop by for a little bit" but then you started drinking and having fun and were all like "let's stay a little longer" and then this dude came up to you and asked you this question.
3. **Tell Us About Your Funding.** Please provide a brief description of your annual budget, your major funding sources and any fundraising events in May or June. What would you do with these mustache dollars that you aren't doing right now?
4. **Why is your house the best?** Pick another Omaha "house" (non-profit) and tell us why you're better than them. Remember, all responses are confidential.
5. **Create a Crest.** Each year we host a meet-the-charities event called Nonsense Night. This year it is Thursday, February 29th, 7pm at the Observatory. If we pick you as our 2024 Charity Partner, what would our joint crest look like? Bring a drawing of the crest to Nonsense Night. Also, bring bacon.
6. **That's the way you debate!** What is your position on the role of government in supporting innovation in the field of biotechnology?

Have questions? We'd be surprised if you didn't. Please direct any questions about this application to stache@m4komaha.com. The M4K Omaha Board may request additional information and we will make our big announcement on March 29th.
